

RESOLUTION NO. 2000- ~~15~~ 2000-18

Procedures for Approval of Subdivision Plats  
before the Board of Commissioners

WHEREAS, there are increasing problems brought on by the passage of time between regarding the actual subdivision plats as approved by the Board of Commissioners; and

WHEREAS, such passage of time does not appropriately provide for assurance that the subdivision plat as approved by the Board of Commissioners constitutes the same subdivision plat generally approved by the Area Plan Commission; and

WHEREAS, it is necessary to develop procedures regarding coordination between the Board of Commissioners and the Area Plan Commission to insure that the subdivision plat as approved by the Area Plan Commission constitutes the same subdivision plat to be approved by the Board of Commissioners.

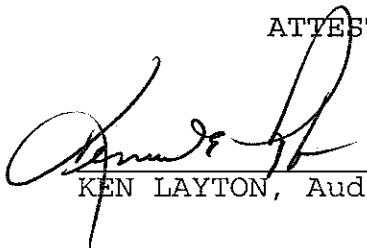

NOW THEREFORE, BE IT RESOLVED by the Board of Commissioners:

SECTION I. The Building Commissioner of LaPorte County is directed to prepare a written procedure to insure that subdivision plats presented to the Board of Commissioners are consistent with subdivision plats approved by the Area Plan Commission,

SECTION II. Such procedures should be presented to the Board of Commissioners and copies mailed to all surveyors initially.

DATED this 14<sup>th</sup> day of November, 2000.
