

RESOLUTION 2006 - 10

**RESOLUTION TO UTILIZE  
DESIGN BUILD FOR PUBLIC PROJECTS**

WHEREAS, LaPorte County Board of Commissioners desire to use design build concept; and

WHEREAS, IC 5-30 now provides for the use of design build concept in public projects.

NOW THEREFORE BE IT RESOLVED by the LaPorte County Board of Commissioners that:

1. LaPorte County may use design build concepts as provided by IC 5-30 for a public project.
2. That a technical review committee is hereby established. Its membership shall consist of three (3) members made up as follows:
  - a. One (1) member of the Board of Commissioners as selected by the Board of Commissioners.
  - b. Two (2) additional members as selected by the Board of Commissioners from:
    1. An architect registered under IC 25-31
    2. A professional engineer registered under IC 25-3
    3. A qualified contractor registered under IC 4-13-6
  - c. Of the members selected under Paragraph B, there may be no more than one (1) from the group as specified.
3. That the technical review committee does not have to be a standing committee but may be organized for each individual public project however the case may be.
4. That the technical review committee shall follow all the procedures prescribed by IC 5-30 as amended concerning use of, implementation of and determination of qualified contractors regarding the design build concept in the developing bids for use under the design build concept.

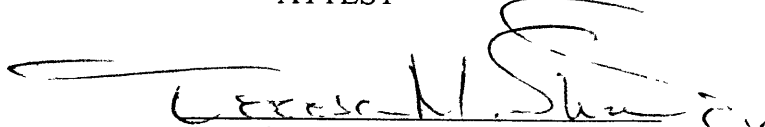

DATED this \_\_\_\_\_ day of June, 2006.
