March 19, 2020

Dear LPCSC Family Member,

We received word today that Governor Holcomb ordered Indiana Public Schools closed until May 1, 2020. For the La Porte Community School family this means that we will be continuing our weekly routine of having three eLearning days a week on Monday, Tuesday, and Wednesday and waiver days on Thursdays and Fridays. Lunches will continue to be provided at the designated locations which can be found on our website. We will be sending a revised calendar in the near future which extends through May 1, 2020.

Apr. 6-Apr. 13 - Spring Break	

In addition to the closing of school announcement, it is now official that all Indiana statewide standardized testing has been cancelled for the school year. There are still a number of issues we are monitoring, most immediately is the position that the Department of Education will take on granting credits to our seniors who are in the final nine weeks of their schooling. We will keep you updated on information as it becomes available.

As difficult as this situation has been for all of us, we should all have a sense of pride for how our community has pulled together to share resources and assist neighbors. These unprecedented times call for all of us to make sacrifices in order to collectively deter the spread of the coronavirus. We at the La Porte Community School Corporation are thankful for the patience our parents and guardians have demonstrated to date during our alternate schedule. We will continue to provide guidance and assistance for you as you are now bearing the brunt of the daily routines of eLearning and monitoring school work.

Lastly, we encourage you to continue to check our corporation website for important information regarding resources, school announcements and Health Department guidance.

Respectfully,

Mark Francesconi
 Superintendent, La Porte Community School Corporation
