Dear Members:

PRESENT: Annemarie Polan, Recording Secretary, Attorney Doug Biege; Ashley
 Kazmucha, Secretary

The Pledge of Allegiance.

APPROVAL OF MINUTES:

Melissa Mullins Mischke asked for approval of the meeting minutes of February 18th, 2020.

Dwayne Hogan made a motion to approve the meeting minutes of February 18th, 2020 as presented.

Greg Szybala seconded.

All Approved. Motion carries 5-0.

Petitions:

1. Petition for Variance of Developmental Standards for Donna Rowe (seller) and David and Rebecca Schuman (buyer) for construction on a property with thirty feet (30') of road frontage instead of the minimum required two hundred feet (200'). The property is located between 151 N. and 355 N. 600 E., Mill Creek, IN., Wills Twp., zoned A on 4.746 acres. Parcel 46-08-31-300-011.000-068.

Attorney Biege stated notice is adequate.

David Schuman stated his address is 7833 E. Bell Ave., New Carlisle, IN.

Melissa Mullins Mischke asked if there is something unique to the property why there is only thirty feet (30') of road frontage and is it possible to get additional road frontage.

David Schuman stated there is an access road that goes back and opens up into a larger area. There are three other homes there at present time. This parcel of four acres would be ideal and quiet for a home.

Melissa Mullins Mischke asked if the access road is apart of the parcel he owns.

David Schuman stated each parcel back there has thirty feet (30') of road frontage so the road could be widened to get back there, but it is an access that everybody uses to get back there.

Melissa Mullins Mischke asked if the county plows the road.

David Schuman stated no; the owners to the back plow and maintain the road.

Glen Minich stated it is not common for the Board to approve something like this. The parcels were split illegally. It is similar to a small family subdivision, but the two remaining lots with their own thirty feet (30') of frontage have never been sold at a market value at lot value so there is no loss as far as current ownership goes. There would need to be some sort of association or guideline like a subdivision for this to be at all possible. The ownership behind these properties is a high value home on very large acreage. They could be devaluing the property to the east of these properties.

No remonstrators present.

Melissa Mullins Mischke stated she does not like flag parcels for safety concerns. Signage is necessary and emergency vehicles would need to be able to have access.

Glen Minich stated the only lane that is there isn't maintained; it is wash-boarded and rutted towards the end of it. It doesn't have any ownership for the lot. The road looks near a ravine. The next owner would be at a big disadvantage as far as having access to the property.

Earl Cunningham asked Glen Minich who he's referring to as the next owner.

Glen Minich stated they are assuring owners that they will have access to their property and have a retained value. The building department inspects to make sure the home is of quality for years to come.

Melissa Mullins Mischke asked if he was under the impression that he would have to improve the access to the property.

David Schuman stated he planned on it.

David Schuman stated he has a letter from the Fire Department stating there is ample room for emergency vehicles to access the property.

Earl Cunningham stated if he builds this, he is taking the risk. There is no written remonstrance and no remonstrators present. If it loses value, then he is absorbing that risk.

Dwayne Hogan agreed.

Glen Minich stated yes or his mortgage company or the future owner who is unaware that the driveway they are using, they have no legal right to.

Attorney Biege stated future owners are not a consideration of the Board. The Board is restricted to statutory factors. A future owner would know because they would run title insurance, otherwise nobody would lend on it.

Dwayne Hogan asked if there is a way to obtain any more frontage.

David Schuman stated no.

Glen Minich made a motion to deny the Petition for Variance of Developmental Standards for Donna Rowe (seller) and David and Rebecca Schuman (buyer) for construction on a property with thirty feet (30') of road frontage instead of the minimum required two hundred feet (200'). The property is located between 151 N. and 355 N. 600 E., Mill Creek, IN., Wills Twp., zoned A on 4.746 acres.

Melissa Mullins Mischke asked for another motion as there was no second to the first motion.

Earl Cunningham made a motion to approve the Petition for Variance of Developmental Standards for Donna Rowe (seller) and David and Rebecca Schuman (buyer) for construction on a property with thirty feet (30') of road frontage instead of the minimum required two hundred feet (200'). The property is located between 151 N. and 355 N. 600 E., Mill Creek, IN., Wills Twp., zoned A on 4.746 acres.

2. Petition for Variance of Use for George and Lynn Davis to operate a bed and breakfast in the apartment above the garage year-round. The property is located at 2323 W. Maple Dr., Union Mills, IN., Noble Twp., zoned R1A. Parcel 46-14-22-400-050.000-056.

Attorney Biege stated notice is adequate.

Lynn Davis stated her address is 2323 W. Maple Dr., Union Mills, IN.

Melissa Mullins Mischke asked where the unit for the bed and breakfast was going to be located.

No remonstrators present.

Dwayne Hogan asked if they were renting it as an apartment before.

Lynn Davis stated it was being used for her mother-in-law. There had been renters in the past, but it was short term.

Dwayne Hogan asked if it is fully equipped and self-sufficient.

Lynn Davis stated yes.

Glen Minich asked what year the apartment was built.

Lynn Davis stated the house was built in 1996 and the garage was added later on, perhaps around 2000.

Glen Minich asked if she was the owner then.

Lynn Davis stated no.

Melissa Mullins Mischke asked if it is on separate well or septic.

Lynn Davis stated the well is shared, but the septic is separate. The gas and electric are separate as well.

Glen Minich asked Annemarie Polan if any complaints were made that brought this petition to the Board.

Annemarie Polan stated no.

Glen Minich stated it is a small quiet neighborhood. He would have no idea if there were covenants at some point, but it is such a common thing now with VRBO and AirBNB that it is nice that they come before the Board for permission.

Melissa Mullins Mischke stated covenants don't take precedence over their decision.

Dwayne Hogan asked how many bedrooms there were.

Lynn Davis stated one bedroom.

Dwayne Hogan made a motion to approve the Petition for Special Exception and Variance of Use for George and Lynn Davis to operate a bed and breakfast in the apartment above the garage year-round. The property is located at 2323 W. Maple Dr., Union Mills, IN., Noble Twp., zoned R1A.

Earl Cunningham seconded.

Melissa Mullins Mischke stated last year he was given a one-year extension. Does he remember why that was done?

James Heimbuch stated there was some stuff outside and he has already gotten rid of the boat and he's in the process of organizing.

Melissa Mullins Mischke asked if he has any plans to put up a shed.

James Heimbuch stated he plans to enclose the carport. He has some of the materials already.

Melissa Mullins Mischke asked how long he has lived in the mobile home.

James Heimbuch stated about twenty (20) years.

No remonstrators present.

Dwayne Hogan asked if he plans on cleaning up the outside by the shed.

James Heimbuch stated yes.

Earl Cunningham stated at this time of the year if you have a green tarp instead of a blue tarp, it pretty much goes unnoticed. The bright blue tarp stands out like a sore thumb.

Glen Minich made a motion to approve the Petition for Variance of Developmental Standards for James P. Heimbuch for continued placement of a mobile home for a two-year period, renewable. Last variance was granted March 19, 2019. The property is located at 8170 E. Ivy Blvd., New Carlisle, IN., Hudson Twp., zoned R1B.

Ed Ransom stated his address is 1764 E. 1000 N., LaPorte, IN.

Melissa Mullins Mischke asked if he wants his son living that close to him right now.

Ed Ransom stated he doesn't have a spouse and he's all alone. They want to move back to Indiana. It's his only son and only grandchild, and the grandchild's mother.

Melissa Mullins Mischke asked if they will take care of him when he gets old.

Ed Ransom stated he hopes so, but hopes they won't need to. It would be nice to have them close.

Melissa Mullins Mischke stated he has a good amount of acreage.

Ed Ransom stated he has twenty-two (22) acres.

Melissa Mullins Mischke stated he'll have to get his grandchild mowing early.

No remonstrators present.

Greg Szybala asked if they would use the same driveway.

Ed Ransom stated yes.

Dwayne Hogan stated it would have a second address.

Ed Ransom stated he has not gotten that far yet. He did not know if it would be required to have a second address or not.
