For Immediate Release:

December 27, 2021

COVID-19 Testing at the Michigan City Health Department will temporarily NOT accept any walk-ins due to overwhelming numbers of patients coming in and severe staffing shortages at this time. This service will open back up as soon as they are feasibly able to do so.

Please make your appointment AND pre-register for your test by going to:

www.coronavirus.in.gov Please select a Community Testing Site and complete the entire registration online. This cuts down on your wait time in the clinic, and drastically speeds everything up for staff during this high-volume time. Thank you!

Mission Statement:

"To engage and partner in a collaborative and responsive effort with the community and local organizations with respect to the diversity of the community to better serve present and future generations."
