E-PAK Machinery Inc.

- E-PAK Machinery Inc., an industry leader as a manufacturer of in-line liquid packaging machinery, was founded in 2001 and is located at 1535 South State Road 39 in LaPorte, Indiana.
- The company is led by the original founding executive team and has maintained its privately-held ownership throughout its history. This has allowed E-PAK Machinery to control key strategic and business decisions, ensuring a consistent focus on meeting and exceeding specific needs of its customers.
- E-PAK Machinery has reached an exciting milestone as the company celebrates 20 years of manufacturing innovative and versatile liquid packaging solutions for a variety of industries.
- The company produces a wide variety of manual, semi-automatic and fully automatic machines for filling, capping, plugging, labeling, date coding and bottle handling solutions. E-PAK provides filling machines for: food products & sauces, bottled water, still beverages, janitorial & cleaning supplies, industrial & agricultural chemicals, petroleum & automotive products, acid & corrosive products, cosmetic & personal care products, and pharmaceutical products to name a few.
- Currently E-Pak is undergoing an expansion to add an additional 26,000 sq. feet to their 47,000 square foot facility. 54 employees currently working will be retained and E-Pak will add an additional 10 jobs ranging from entry level to skilled level position.
- The company offers competitive wage, health benefits, paid vacation, 401K with match, and first shift positions.
