LaPorte County WORKS!

A & A Sheet Metal Products / Securall

**** LaPorte Family-Owned Company Featured in Monthly, County-Wide Report ****

(LaPorte County, IN): At the LaPorte County Commissioners’ meeting held Wednesday, February 16, 2022, the LaPorte County WORKS! business report was presented with A & A Sheet Metal Products / Securall, located in LaPorte, IN.

“Family-owned businesses, especially those passed from generation to generation, establish a strong business tradition that is helpful to the sustainability of any business. They are the backbone of our communities, and we are extremely fortunate to have companies like A & A Sheet Metal Products / Securall in our very own backyards,” stated Mike Seitz, IOM, Business Retention Manager of the LaPorte County Office of Community and Economic Development.

This week, Commission President Sheila Matias focused this business spotlight on A & A Sheet Metal Products / Securall, a 3rd generation family-owned company with a proud history of longevity for its valued employees.

“LaPorte County WORKS! is a way to honor and support our local business community. I am proud to

promote a family-owned business such as A & A Sheet Metal Products / Securall because family-owned businesses such as this one keeps our community thriving and boost our economy. It is significant that they provide products to our military and NASA as well as companies such as Disney and Microsoft. By helping A&A Sheet Metal market their open positions, we are assisting them as well as helping local people find the jobs they need to be successful right here in LaPorte County,” stated Commissioner Matias.

“Sometimes it is the small tweaks from an entrepreneurial company that impacts an entire industry which is the case here with A & A Sheet Metal / Securall. This company has been innovating with its industry since its first days of operation using color to standardize the safety storage industry,” stated Tony Rodriguez, Director of LaPorte County Community & Economic Development

Past spotlights of the *LaPorte County WORKS!* program include Enprotech Industrial Technologies, E-PAK, Sullivan-Palatek, and OTECH Corporation.
