RE: IDOH Covid-19 Dashboard

The Indiana Department of Health (IDOH) has changed its' procedures for tracking and reporting COVID information. IDOH will no longer designate counties as Blue Yellow, Orange, or Red. Nor will they report positivity rate. IDOH will now follow the CDC reporting matrix.

La Porte County daily COVID information can be found on the CDC COVID Data Tracker at the following website:

https://covid.cdc.gov/covid-data-tracker/#county-view?list_select_state=all_states&list_select_county=all_counties&data-type=CommunityLevels

A number of COVID dashboards are still available on the IDOH website which can be reached via this link:

Links to these sites will also be available on our county web page at www.laporteco.in.gov
