Dear Laporte County Board of Commissioners,

I hope this email finds you well. I am writing to formally recommend the acceptance of the bid from Laporte County Project Management, Inc. in the amount of \$81,880.00 for the replacement of the sewer line in the lower level of the Laporte County Complex located at 809 State St, La Porte, IN 46350.

After careful consideration and evaluation of the bids received for this crucial infrastructure project, it is evident that Laporte County Project Management, Inc. has demonstrated the expertise, experience, and capacity necessary to successfully complete the sewer line replacement project within the specified scope, budget, and timeframe.

The replacement of the sewer line in the lower level of the Laporte County Complex is imperative to ensure the continued functionality and safety of the facilities for employees and visitors alike. Laporte County Project Management, Inc.'s proposed bid not only meets the project requirements but also offers a competitive and reasonable cost for the services rendered.

Furthermore, Laporte County Project Management, Inc. has a proven track record of delivering high-quality construction projects on time and within budget, making them a reliable choice for this important undertaking.

Therefore, I strongly urge the Laporte County Board of Commissioners to approve the bid from Laporte County Project Management, Inc. for the replacement of the sewer line in the lower level of the Laporte County Complex.

Should you require any additional information or clarification regarding this recommendation, please do not hesitate to contact me.

Thank you for your attention to this matter.

Sincerely,
Sean Fitzpatrick
